## Terms & Conditions - Parking Permit Applications & Issue

- 1) Applying for a permit does not guarantee that a permit will be issued. The issue of permits may be restricted by document validity checks or by availability of parking space issued and therefore applicants must not park until they have received confirmation that a permit has been issued.
- 2) All permits are issued in accordance with the following terms and conditions. An application for a parking permit confirms acceptance of all the terms and conditions of parking as detailed at <http://www.wingparking.co.uk/pages/info-catalyst.html>
- 3) Permit costs are detailed above and full payment is due once the application has been verified and before the permit is issued. The price is valid until 31 December 2016.
- 4) All permits must only be used in accordance with the Terms and Conditions of Use of the permit as provided with the permit.
- 5) The charge is made for the issue of the permit and in the event of a lost permit, or a transfer to another vehicle, no refunds will be given but permits will be replaced or transferred to another vehicle for the remainder of the original validity period for an administration charge of £10.00. Refunds of permits no longer required will be made only upon the return of the original permit and a pro-rata refund will be made for each complete month remaining. An administration charge of 10.00 will be made.
- 6) Where there is a change of vehicle, the permit for the old vehicle must be returned when the application for the new vehicle is made.
- 7) If you are applying for a residential permit, complete the details of the vehicle for which it is required and ensure you enclose a copy of the registration document confirming the vehicle is registered to the applicant address along with proof that the vehicle is taxed and subject to current insurance and MOT.
- 8) Where a vehicle registration document is not available, other suitable documentation confirming the residential status and ownership of the vehicle must be provided instead. To confirm residency, the applicant must provide a **copy** of one of the following documents:
  - i. a bank or credit card statement less than 3 months old
  - ii. a utility bill less than 3 months old (gas/electric/landline telephone)
  - iii. a Hyde rent statement less than 3 months old
- 9) All documentation provided to confirm residency or ownership **will not** be returned to the applicant so please ensure that you do not send original documents, **only copies**.
- 10) Permit renewals do not require residence or registration documentation to be resubmitted provided there is no change in any of the details. However in this instance, the application must be made in the same name and address as previous, and the "renewal" box must be checked on the application form. Residential permit renewals must however include current proof that the vehicle is taxed and subject to valid insurance and MOT.

- 11) In the event of any doubt over the validity of any application or documentation, we reserve the right to seek further information and documentation as we see fit in order to satisfy ourselves that the application is in order.
- 12) In the event that any permit payment is later cancelled, withdrawn or returned (for whatever reason), then the associated permits will immediately become invalid. Any permits issued following any cancelled, withdrawn or returned payment will be subject to an additional administration charge of £25.00 per permit.
- 13) All personal data collected in respect of parking permit applications is subject to Data Protection regulations. Data will be retained and used in order to maintain the valid operation of the overall parking management scheme, including for the purposes of debt administration of unpaid parking charges notices. Data will also be shared with Hyde Northside.
- 14) Successful permit applications will be completed within 2 working days of payment. Please do not contact us to chase your application until at least 7 working days have passed since the application was submitted.

### **Terms & Conditions - Customer Not Present Card Transactions**

Although we can accept card payments when the cardholder is not present to enter their PIN number, these are classed as "Customer Not Present" transactions by the Card Suppliers and therefore these transactions require a written and signed order from the Cardholder. To make any such payment, **you must post a fully completed and signed application form. To meet credit card security policies, these cannot be emailed.**

Customer Not Present transactions are subject to the following terms and conditions:

- 1) The application form must be clearly and fully completed by the cardholder, including the full address and postcode digits as these are required for security checks.
- 2) Incomplete forms will not be processed and will be returned for completion.
- 3) Any application that fails any of the necessary security checks will be refused. We will not repeatedly make payment requests where a payment has failed.
- 4) The form must be returned to: Wing Parking, Plaza 668, Hitchin Road, Luton, Bedfordshire LU2 7XH.
- 5) Only the following cards are accepted: Visa Credit, Visa Debit, Mastercard and Maestro. We do not accept any other type of card, including Diners Club or American Express.
